

Planned Outage Notification

March 31, 2014 - April 6, 2014

SCE will soon be performing maintenance on the electrical system in the area. In order to perform this work safely, we must temporarily interrupt electric service and turn off power. This outage will allow us to upgrade aging infrastructure, make needed improvements, and complete other repairs. We realize this temporary service interruption may cause some inconvenience, and we appreciate your understanding as we work to increase system reliability for the future.

Please advise the appropriate personnel of the following:
