Have you ever wanted to listen to what women really talk about? Ted Lange's comedic play, *Four Queens-No Trump* invites you to listen in on the bodacious, brazen, and bawdy conversations of four women who meet every week to play cards. These dynamic, vivacious, and "down home" women discuss their lives and loves with outrageous humor as they play the cards they are dealt on the table and in life.

*Four Queens* will win your heart and grab your funnybone with show stopping laughs!
