# SALTBOX COMMUNITY CELEBRATION: REVITALIZE & RECHARGE

In honor of our Los Angeles members and in celebration of the last stop on our Saltbox Across America campaign, we invite you for **AN UNFORGETTABLE DAY OF SELF CARE** - because you and those that support you deserve it! This exclusive event welcomes all Saltbox members and their loved ones in celebration of your hard work and the entrepreneurial journeys you're on with Saltbox. Get ready for a day of pampering and rejuvenation with a variety of wellness activities and a chance to leave your mark as part of our national tour.

This event will celebrate the strength and diversity of **LOS ANGELES' LOCAL SMALL BUSINESSES** and ecommerce entrepreneurs, bringing together Saltbox members, local merchants, Los Angeles officials and community vendors. Don't miss the chance to relax, bond, and celebrate together! We will be featuring massage chairs, nail stations, healthy food and more.

Merchants are encouraged to bring their products and share their entrepreneurial stories and ship from the Saltbox Container.

Their stories will be gathered across the US to be curated and shared with relevant themes and learnings. As well, a select number of products will then be featured in the Saltbox Holiday Gift Guide.

# BRING! SHARE! SHIP!

# LOS ANGELES

**Wellness Day**  
September 15th  
10am - 2pm

Saltbox is on a mission to vitalize the American entrepreneurial spirit!

Saltbox will take a **TOUR ACROSS AMERICA** towing a custom-branded cargo container to key Saltbox locations while engaging with Main Streets and small businesses along the way.

At each stop Saltbox will hold an event with Saltbox members, the local community, politicians, and press, to showcase the Saltbox Container, an interactive workshop experience, dedicated to collecting and sharing **SMALL BUSINESS STORIES** that represent the beating heart of the American economy.

Each event will be tailored to its host location, highlighting local traits, resources, history, and **UNIQUENESS OF EACH SALTBOX LOCATION** and the companies it houses.

You can follow the route at: [saltboxacrossamerica.com](http://saltboxacrossamerica.com) and [#saltboxacrossamerica](https://twitter.com/saltboxacrossamerica)
