The Torrance City Council convened in an Adjourned Regular Meeting for purposes of a pre-budget workshop on Tuesday, March 19, 1985, at 5:00 p.m., in the Council Chambers at Torrance City Hall.

All Councilmembers were present.

Considered at this time --

17. ADMINISTRATIVE MATTERS:

17d. PRE-BUDGET WORKSHOP FOR FISCAL YEAR 1985-86:

An introduction to the Pre-Budget Workshop was provided by City Manager Jackson with highlights of the economic environment for the coming fiscal year and an outline of the budgetary procedure itself.

Individual Council comments followed.

Mayor Armstrong indicated general agreement with the remarks of the City Manager, and offered the following specific observations:

- ° The current level of service is generally adequate.
- ° Additional services are needed in the area of curb, gutter, sidewalk repair and tree trimming, with the possible need for an additional crew to keep pace with public safety needs.
- ° Certain areas of Cable TV should be enhanced -- efforts to provide public access capabilities should be put forth.

Councilman Applegate concurred with the above comments, adding his concerns regarding the need for additional night lighting on certain sport activity fields, and requesting that this be an item for consideration.

1.

City Council
March 19, 1985

Councilwoman Geissert requested a staff report regarding possible expanded recreation classes if facilities are available. A working schedule pertaining to sidewalk repair was also requested by Mrs. Geissert, with an action plan involving extensive projects of this type throughout the City.

In addition to the sidewalk needs noted above, Councilman Wirth expressed concerns regarding the loss of certain Revenue Sharing Programs and commented on the resultant possible need to consider increased bus fares. Mr. Wirth praised the Townhall Meeting concept and the City's overall budgetary review process.

RECOMMENDATION OF PURCHASING AGENT/BUYER:

That the contract be awarded to the low bidder, California Pools, Inc. of Glendora, CA, in the amount of \$66,749.00.

CITY MANAGER'S NOTE:

For clarification, \$70,000.00 appears in the 1984-85 Capital Improvement Budget for sand blasting and replastering the plunge. However, the bid for the work to be done did not include the necessary and required language to allow the City to use Federal Revenue Sharing monies. Therefore, in order to provide the needed repairs to the plunge, and to insure a timely opening of the plunge, your Honorable Body is being asked to appropriate \$70,000.00 from the Parks and Recreation Facilities Fund for the stated purpose. Any future monies for associated repairs will come from the Federal Revenue Sharing Program.

MOTION: Councilwoman Geissert moved to concur with the above stated recommendation and appropriation of funds, subject to approval of the contract by the City Attorney. Her motion was seconded by Councilman Nakano, and roll call vote was unanimously favorable.

RECOMMENDATION OF CITY COUNCIL FINANCE AND GOVERNMENTAL OPERATIONS COMMITTEE:

The Finance and Governmental Operations Committee recommends that the Council as a whole conduct a public hearing to discuss and approve the Capital Improvement Budget for 1984-85 and authorize the appropriation of \$1,522,500 from Federal Revenue Sharing Funds.

6.

City Council
March 19, 1985

MINORITY RECOMMENDATION - (Councilman Applegate)

It is recommended that the Capital Improvement Projects as proposed by the City Manager be re-evaluated by the Council as a whole. Specifically, further emphasis should be placed on the capital improvement projects not recommended for funding as outlined in Schedule B, Page 50, of the proposed budget submitted by the City Manager.

Mayor Armstrong announced that this was the time and place for the public hearing on the proposed Capital Improvement Budget and the use of Federal Revenue Sharing funds for the 1984-85 fiscal year.

Proof of publication was provided by City Clerk Babb. Councilman Applegate MOVED that it be received and filed. His motion was seconded by Councilman Wirth, and carried without objection.

There being no one in the audience who wished to address the Council on this item, Councilman Applegate moved to close the hearing. His motion, seconded by Councilman Walker, carried unanimously by roll call vote.

Councilman Applegate voiced concerns that certain of the items listed as deferred might, rather, be more appropriately considered for funding. Specific items noted by Mr. Applegate as among his concerns were:

- ° Replace failing open channel with enclosed underground storm drain - 234th Street Drainage Channel (Phase III);
- ° Construction of Fire Station No. 7 - northeast corner of Van Ness and Del Amo Boulevard.
- ° Security lighting for El Nido Park and parking lot.
- ° Security fencing and portable toilets for Madrona Marsh.
- ° Automatic sprinkler system for Calle Miramar median.
- ° Downtown Torrance parking median improvements.

Following a brief discussion, action was taken as shown below:

MOTION: Councilwoman Geissert moved to concur with the Committee recommendation (approval of the Capital Improvement Budget for 1984-85 and appropriation of \$1,522,500 from Federal Revenue Sharing Funds). Her motion was seconded by Councilman Nakano, and carried unanimously by roll call vote, with the exception of a negative vote by Councilman Applegate.

15b. PROPOSED VACATION OF A PORTION OF PLAZA DEL AMO:

Mayor Armstrong announced that this was the time and place for a public hearing on the proposed vacation of a portion of Plaza Del Amo south of Carson Street -- proponent and beneficiary: Mr. Richard D. Greene.

Proof of publication was presented by City Clerk Babb and it was ordered filed, there being no objection.

RECOMMENDATION OF CITY ENGINEER:

That, after opening the public hearing on the proposed vacation of portions of Plaza Del Amo, the hearing be continued to the Council meeting of April 2, 1985, a 5:30 p.m. meeting.

Mayor Armstrong read aloud correspondence dated March 19, 1985, from REMCO - Real Estate Management Company, directed to Mr. Richard Greene (of official record) regarding the release of REMCO's interest in the subject property. City Attorney Remelmeyer indicated his desire to further review the matter prior to the Council meeting of April 2.

Councilman Applegate requested that the City Attorney also look into the impact and alternatives as they might apply to the YWCA parking situation.

Ms. Hope Witkowski, Executive Director of the YWCA, advised of alternate proposals for YWCA parking on file with the City, and requested that this information be forwarded to the Council for their April 2 consideration of this item.

It was also requested by Councilwoman Geissert that a report be included regarding ownership of the Scout House and the possibility of a coordinated parking plan which would include that facility.

MOTION: Councilman Applegate moved to continue Agenda Item 15b to the City Council meeting of April 2, 1985, a 5:30 p.m. meeting. His motion was seconded by Councilman Walker, and carried without objection.

16. APPEALS:16a. S84-39 - LEO'S STEREO:

Councilman Wirth announced that he would abstain for reasons of record, and departed from the Council Chambers.

Mayor Armstrong announced that this is the **continued** appeal of S84-39, Leo's Stereo, located at the northeast corner of Hawthorne and Del Amo Boulevards.

RECOMMENDATION:

Staff recommends approval of the wall signs and denial of the ground sign.

If Council approves the ground sign, staff recommends that pole structures be covered with a material and color compatible with the building; that the background color of the sign be a pale yellow or beige; and that the base of the sign be landscaped.

A brief staff presentation was provided by Environmental Quality Administrator McElroy, who noted that the appellant's proposal is now for three wall signs 2' x 30' (proposed at the March 5 Council meeting were three wall signs 3' x 30') with the logo 3' high, and a pole sign 25' high set back 10' from the property line. A graphic depiction of the proposal was presented.

Ms. Carol Hoffman, representing Leo's Stereo, requested approval of the pole sign at 25' in height, and concurred with conditions regarding compatibility of the pole structure and landscaping of the base; however, she requested that the pole sign background color be consistent with Leo's Stereo logo as submitted, rather than pale yellow or beige as requested by staff.

Mayor Armstrong inquired of the appellant regarding the stipulation that there be no further pole sign activity on their part. Ms. Hoffman so stipulated.

Responding to further questioning, Ms. Hoffman advised that the only yellow background will be on the pole sign -- the color of the pole structure will be beige, as will the building itself.

MOTION: Councilwoman Geissert moved to grant a 25' high pole sign, set back 10' from the property line, as modified by the proponent, with the conditions that there be landscaping at the base of the sign and that the posts be a similar color to that of the building; further, that there be no further pole sign activity.

The motion, seconded by Councilman Applegate, carried unanimously by roll call vote (Councilman Wirth ABSTAINED).

Councilman Wirth returned to the Council Chambers at this time.

17. ADMINISTRATIVE MATTERS:

Considered at this time out of order --

At the request of Mayor Armstrong, City Clerk Babb read title to --

RESOLUTION NO. 85-69

MOTION: Councilwoman Geissert moved for the adoption of Resolution No. 85-69. Her motion was seconded by Councilman Walker.

Prior to roll call vote, Land Management Team Chairman Ng advised that Mr. Whittlesey has received approval from the Oldsmobile Division of General Motors insofar as the assignment of franchise; however, such approval has not as yet been received from General Motors, per se. Mr. Ng requested that the assignment of ground lease be approved based on the assumption that final approval will be received from General Motors.

Roll call vote on the above motion was unanimously favorable.

Considered next - out of order --

RECOMMENDATION OF FINANCE AND GOVERNMENTAL OPERATIONS COMMITTEE (MAJORITY RECOMMENDATION):

The Finance and Governmental Operations Committee of the City Council recommends that the attached Long Range Capital Improvement Needs Assessment 1984-2000 be accepted and filed as a budget reference document.

MINORITY COMMITTEE RECOMMENDATION (COUNCILMAN APPELATE):

It is recommended that the Long Range Needs Assessment Projects be reviewed and discussed by the Council as a whole.

MOTION: Councilman Nakano moved that the Long Range Capital Improvement Needs Assessment 1984-2000 be accepted and filed as a budget reference document. His motion was seconded by Councilwoman Geissert.

Councilman Applegate expanded upon his Minority Recommendation, as stated, noting his concerns relative to the possible negative impact of the Joslyn Center expansion on other projects and the need to weigh such considerations before proceeding further.

Councilwoman Geissert related her understanding that the matter of the Joslyn Center expansion will be before the City Council for consideration in April with various financing options and strategies to be presented at that time.
