FOR IMMEDIATE RELEASE

National Take-Back Initiative
Prescription Drug Drop off
April 26, 2014

On Saturday, April 26, 2014, from 10 am-2 pm, the Los Angeles Field Division of the Drug Enforcement Administration (DEA) will coordinate a nationwide one-day collaborative effort to remove potentially dangerous controlled substances from our nations' homes. The National Take-Back Initiative will provide those who have accumulated unwanted and unused prescription drugs a great opportunity to dispose of them safely.

This year, CVS and the Torrance Police Department are partnering with DEA to help support this initiative and increase awareness about the dangers of prescription drug abuse. Turn in your unused or expired medication at CVS:

CVS
4235 Pacific Coast Highway
Torrance, CA. 90505
(310) 373-6847

The drop off area is in front of the store. **No needles, syringes or over the counter medication please. Prescription medication only.**

Sergeant Robert J. Watt
Torrance Police Department
