

**STATEMENT OF INTENT TO UNDERGROUND UTILITIES
(EASEMENT REQUIRED)**

The City of Torrance requires all new construction to underground the new service. When the existing power pole is on adjacent private property, an easement is required to allow the utility service to be buried underground. Please give this form to your neighbor at the power pole site address below.

CONSTRUCTION SITE

ADDRESS: _____

POWER POLE SITE

ADDRESS: _____

To the neighbor at the above power pole site address: Please mark the appropriate box below. As property owner of the site where the utility easement is required, you are asked to respond to the following:

- YES:** I/we would be willing to grant the construction site an underground utility easement. Send a draft easement document.
- NO:** I/we are not interested in granting an easement at this time.

Please sign and return this document in the enclosed envelope.
