B2015-21

Michael Whelan, being first duly sworn, deposes and says:

1. That he is the President of Building Group
Title

of Walsh Construction Company II, LLC
(Name of Partnership, Corporation, or Sole Proprietorship)

hereinafter called "Contractor," who has submitted to the City of Torrance a proposal for the Construction of Torrance Transit Park and Ride Regional Terminal Phase I- Rough Grading, B2015-21;

2. That said proposal is genuine; that the same is not sham; that all statement of facts therein are true;
3. That such proposal was not made in the interest or behalf of any person, partnership, company, association, organization or corporation not named or disclosed;
4. That the Contractor did not, directly or indirectly, induce, solicit or agree with anyone else to submit a false or sham bid, to refrain from bidding, or to withdraw the bid, to raise or fix the bid price of the Contractor or anyone else, or to raise or fix any overhead, profit or cost element of the Contractor's price or the price of anyone else; and did not attempt to induce action prejudicial to the interest of the City of Torrance, or of any other bidder, or anyone else interested in the proposed contract;
5. That the Contractor has not in any manner sought by collusion to secure for itself an advantage over any other bidder or to induce action prejudicial to the interests of the City of Torrance, or of any other bidder or of anyone else interested in the proposed contract;
6. That the Contractor has not accepted any bid from any subcontractor or materialman through any bid depository, the bylaws, rules or regulations of which prohibit or prevent the Contractor from considering any bid from any subcontractor or materialman, which is not processed through said bid depository, or which prevent any subcontractor or materialman from bidding to any contractor who does not use the facilities of or accept bids from or through such bid depository;

CONTRACTOR'S AFFIDAVIT (CONTINUED)

B2015-21

- 7. That the Contractor did not, directly or indirectly, submit the Contractor's bid price or any breakdown thereof, or the contents thereof, or divulge information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, or to any individual or group of Individuals, except to the City of Torrance, or to any person or persons who have a partnership or other financial interest with said Contractor in its business.

Dated this 2nd day of September 2015.

Subscribed and Sworn to
before me this 2nd day
of September, 20 15.

Michael Whelan
 (Contractor)
 Michael Whelan, President of Building Group
 (Title)

Notary Public in and for said
County and State.

C.) Any current claims against License or Bond?

**REFERENCES SECTION
LAWSUITS, CLAIMS, OR DEMANDS PENDING OR OUTSTANDING**

Walsh Construction Company II, LLC, as a large, national construction contractor, is, in the regular course of business, a party to construction-related litigation. In the majority of the construction-related litigation actions, Walsh II has been a named defendant in an insurance related claim, primarily workers compensation and related third-party actions. Further information related to these claims is available upon request.

Notices and claims for mechanics' lien and payment bond claims have also been asserted on several projects in the ordinary course of business and usually are due to the timing of payment. Walsh II regularly indemnifies and holds project owners and its surety harmless from such claims and strives to prevent the filing of such claims. Again, further information is available upon request.

Walsh II notes the following significant claims and suits. Additional information is available upon request.

North American Mechanical, Inc. (NAMI) v. Walsh II

NAMI performed work for Walsh II on a hospital project in Wisconsin. Payment disputes arose between Walsh and NAMI. This matter is pending in the US District Court, Eastern District of Wisconsin, Milwaukee Division; Case 2:12-CV-00598-PJG. The date of the claim is 2012. The amount in dispute is \$2.8MM. The value of NAMI's contract is \$3,996,000.

National Automatic Sprinkler Industry Funds v. Seattle Fire Systems, Walsh II

The National Automatic Sprinkler Industry Funds (NASIF) allege that a subcontractor of Walsh II's, Seattle Fire System, did not pay NASIF the benefits required under the union agreement between Seattle Fire and NASIF. Seattle Fire is no longer in business and NASIF seeks payment from Walsh II for Seattle Fire's alleged debt. This matter is pending in the US District Court, Western District of Washington State, Case 2:13-CV-274-RSL. The date of the claim is 2013. The amount in dispute is unspecified. The value of Seattle Fire's contract with Walsh II is \$220,000.00.

Anderson Construction v. Employee Painters Trust et al. v. FBLN d/b/a PAC Glazing, Star Insurance, Walsh II, Travelers

The Employee Painters Trust (EPT) allege that a subcontractor of Walsh II's, PAC Glazing, did not pay EPT the benefits required under the union agreement between PAC Glazing and EPT. PAC Glazing is in bankruptcy and EPT seeks payment from Walsh II for PAC Glazing's alleged debt. This matter is pending in the US District Court, Western District of Washington State, Case 2:13-CV-00580. Walsh II is being indemnified by Star Insurance, which is PAC Glazing's surety. The date of the claim is 2013. The amount in dispute is unspecified. The value of PAC Glazing's contract with Walsh II is \$530,000.00.

TORRANCE TRANSIT AND RIDE REGIONAL TERMINAL PHASE-1
ROUGH GRADING- FEAP 764
B2015-21

Rauch Clay Sales v. Walsh II, Garth, Travelers

This case involves a payment dispute between a first tier subcontractor (Garth) and second tier subcontractor (Rauch Clay Sales) of Walsh II's on a project in Chicago. This matter is pending in the Circuit Court of Cook County; Case No 13 CH 20957. The date of the claim is 2013. The amount in dispute is \$75,000.

Northfield Block v. Trevino, Walsh II, Travelers

Northfield Block was a supplier of Walsh II subcontractor, Trevino on a project in Illinois. A payment dispute and breach of contract action arose and was filed in the 8th Judicial Circuit Court of Schuyler County, Illinois County Department, Chancery Division, case number 14 CH 1. The amount in dispute was approximately \$20,000.00. The date of the claim is 2014. The case was dismissed with prejudice.

Sherry K Corp. v. Walsh II, PBC, Travelers

Sherry K was a subcontractor of Walsh II on a project in Chicago, IL when it filed a breach of contract action against Walsh II in the Circuit Court of Cook County, case number 14 CH 00178. The claim is currently pending and the amount in dispute is approximately \$2.0MM. The date of the claim is 2014.

Keenan, Hopkins, Suder & Stowell, In (KHS&S) v. Walsh II and Travelers

KHS&S was a subcontractor of Walsh II on the Bellevue Marriott project in Bellevue, WA when it filed a bond claim and breach of contract action against Walsh II due to payment issues in the King County Superior Court, case number 15-2-02903-7 SEA. The claim is currently pending and the amount in dispute is approximately \$2.4MM. The date of the claim is 2015.

Helix Electric, Inc. v. Walsh II, Travelers, et. al.

Helix Electric was a subcontractor of Walsh II on The Yards – Parcel D Phase II project in Washington, DC when it filed a bond claim and breach of contract action against Walsh II due to change order and payment issues in the Superior Court of the District of Columbia, Civil Division, case number 2015 CA 005192 B. The claim is currently pending and the amount in dispute is approximately \$1.4MM. The date of the claim is 2015.

**VIOLATIONS OF FEDERAL, STATE OR LOCAL LAWS

Has your firm been reinstated by this entity? Yes/No: _____

John Maranowicz
Project Executive

Tiffany Higdon
Project Manager

Daniel Clarey
Superintendent

John Maranowicz

Project Executive

Education:

B.S Construction Engineering
Iowa State University

Years of Experience:

19 Years in the Industry
15 Years with Walsh

Certifications & Registrations:

RME, LEED AP BD+C,
QSP, CESSWI
OSHA 30-Hour

WHY JOHN?

Mr. Maranowicz's 19 years of construction experience includes the widest variety of positions, including project engineer, project management, estimator and now program manager. His variety of experience affords him a unique ability to organize project teams and communicate affectively with that team and the Owner. In his 15 years with Walsh, John's project experience totals over \$2.5 billion. Recently, John turned over the \$400M Sacramento International Airport Landside Terminal B over 4 months ahead of schedule and significantly under budget.

EXPERIENCE HIGHLIGHTS

SMF Landside Terminal B
\$404M • Sacramento, CA • Sacramento County • LEED Silver

The CMAR LEED Silver Sacramento Airport Landside Terminal B Project consists of a 349,065 SF state-of-the-art terminal facility. Within the facility there are significant vertical transportation systems, consisting of 18 elevators and eight escalators. The baggage system serves four baggage carousels with sorting taking place in the 104,000 SF basement.

Merritt College Center for Science and Allied Health
\$42M • Oakland, CA • Peralta Community College District • LEED Gold

Walsh is completing this project that is the largest Design-build project for Peralta Community College District. The Center for Science and Allied Health is a new LEED Gold building on the Merritt College Campus. The building consists of two seismically isolated portions with slab/on/grade at the at grade lower floors. The building has an approximate footprint of 104,000 sf and features classrooms, laboratories and other educational and student support spaces including nursing rooms, radiology, technology programs and nutrition.

FBI Honolulu Filed Office
\$57M • Honolulu, HI • FBI • LEED Gold

Design/Build/Lease mission critical project to provide the following for the FBI: 150,365 RSF office space, 350 parking spaces in both secure and non-secure areas for use by the FBI. Project is a LEED Gold facility and includes an attached Annex building for the FBI technology and service groups. The design includes a high level of progressive collapse and blast resistance design. The project has incorporated the latest approach to sustainability, including a Photo Voltaic (PV) panel array located on the entire roof area of the secure parking garage.

Tiffany Higdon

Project Manager

Education:

B.S. Construction Management
National University

Years of Experience:

10 Years in the Industry
10 Years with Walsh

Certifications & Registrations:

LEED AP BD+C
QSP
CESSWI
OSHA-30 HOURS

WHY TIFFANY?

As a Project Manager with Walsh Construction, Ms. Higdon is responsible for project administration, including project start-up, staffing, and contract negotiation with subcontractors. She oversees and maintains the quality control systems, schedule requirements, cost accountability, and the establishment of management systems with subcontractors. It is her duty to ensure close coordination among all project team members, ensuring a successful project delivery.

EXPERIENCE HIGHLIGHTS

Surprise WFT 8 MGD Expansion
\$78M • Surprise, AZ • Maricopa County

The project consisted in expanding the City of Surprise Water Reclamation Facility (SPA 1). This facility treats typical domestic wastewater from residential and commercial areas in the City of Surprise. This project included improvements to the influent pumps, head-works, aeration basins, disinfection facilities, and ancillary facilities. The installation of utility, process, and mechanical piping, process equipment, cast in place concrete, as well as excavation was self-performed on this project. Installation of an underground pipeline in a public street required coordination of traffic control and access to local business adjacent to the construction activity.

SMF Landside Terminal B
\$404M • Sacramento, CA • Sacramento County • LEED Silver

The CMAR LEED Silver Sacramento Airport Landside Terminal B Project consists of a 349,065 SF state-of-the-art terminal facility. Within the facility there are significant vertical transportation systems, consisting of 18 elevators and eight escalators. The baggage system serves four baggage carousels with sorting taking place in the 104,000 SF basement.

LAX Bradley West Gates
\$680M • Los Angeles, CA • Los Angeles World Airports • LEED Silver

This CMAR project expanded the current Tom Bradley International Terminal by adding fifteen new contact gates, nine of which will be able to accommodate double-decker aircraft, dual passenger boarding bridges, two concourses, apron work, and associated structures and aircraft support equipment. The scope also included the relocation of several utility lines and the erection of a temporary bus terminal while the TBIT bus terminal was out of service due to the Core construction. The scope also included apron work and the relocation of temporary power.

UCLA Clark Library
\$6.1M • Los Angeles, CA • University of California Los Angeles

The project consist of relocating the mechanical equipment and removal of site improvements in the way of the proposed work; excavation and shoring for the new entry pavilion; provision of utilities; signage; landscape and hardscape improvements.

Daniel Clarey

Project Superintendent

Certifications & Registrations:

Class B California License
OSHA 30 Hours
Frame Certification

Years of Experience:

27 Years in the Industry
14 Years with Walsh

WHY DANIEL?

As a Project Superintendent with Walsh Construction, Mr. Clarey is responsible for the completion of all phases of the project. Duties include the review of plans, scheduling of work, tracking of job costs, managing daily field operation, and coordinating with the owner's engineers. Mr. Clarey is responsible for on-site management of safety, subcontractor coordination, and the supervision of all construction work, ensuring it is completed to the owner's satisfaction.

Mr. Clarey has twenty-seven years of construction industry experience, the past fourteen years with Walsh Construction. His extensive experience covers multiple project types.

EXPERIENCE HIGHLIGHTS

LAX Bradley West Gates

\$680M • Los Angeles, CA • Los Angeles World Airports • LEED Silver

This CMAR project expanded the current Tom Bradley International Terminal by adding fifteen new contact gates, nine of which will be able to accommodate double-decker aircraft, dual passenger boarding bridges, two concourses, apron work, and associated structures and aircraft support equipment. The scope also included the relocation of several utility lines and the erection of a temporary bus terminal while the TBIT bus terminal was out of service due to the Core construction. The scope also included apron work and the relocation of temporary power.

Irish Hills Plaza

\$22M • San Luis Obispo, CA • Madonna Enterprises, LLC

Irish Hills Plaza is an attractive and uniquely designed regional shopping center that includes ±138,000 square feet of local and regional stores. New wood frame construction, site work, and TI.

College Square Center

\$18M • Santa Maria, CA • Weststates Associates

College Square Center is an attractive and uniquely designed regional shopping center that includes ± 55,000 square feet of local and regional stores. New wood frame construction, site work, and TI.

Court Street Plaza Retail Center

\$20M • San Luis Obispo, CA • Court Street Partners

Court Street Plaza Retail Center is an attractive and uniquely designed regional shopping center that includes ±138,000 square feet of local and regional stores. New wood frame construction, site work, and TI.
