EXCEL PAVING COMPANY Total Bid: 2,447,341.-

**PROPOSAL, SPECIFICATIONS, BOND AND AFFIDAVIT FOR THE CONSTRUCTION OF
 TORRANCE TRANSIT PARK AND RIDE REGIONAL TERMINAL PHASE 1 – ROUGH GRADING
 B2015-35**

Honorable Mayor and Members
 of the Torrance City Council
 Torrance, California

Members of the Council:

In accordance with the Notice Inviting Bids pertaining to the receiving of sealed proposals by the City Clerk of the City of Torrance for the above titled improvement, the undersigned hereby proposes to furnish all Work to be performed in accordance with the Plans, Specifications, Standard Drawings, and the Contract Documents prepared by Frank Webb Architects Inc. for the lump sum bid as set forth in the following schedules.

BID SCHEDULE

Item #	Est. Qty	Unit	Bid Item Description	SPEC. SECTION	Unit Price	Total Bid
1	1	LS	GENERAL REQUIREMENTS	Sec. G Div. 01	\$597500.-	\$597500.-
2	1	LS	EXISTING CONDITIONS	Sec. G Div. 02	\$18250.-	\$18250.-
3	1	LS	EARTHWORK PER GRADING PLANS**	Sec. G Div. 31 SSPWC Sec.300	\$691591.-	\$691591.-
4	1	LS	UTILITIES	Sec. G Div. 33	\$1150000.-	\$1150000.-

**The City is currently pursuing an option to acquire a volume of suitable fill that may be used as imported fill for this project as shown on the grading plans. If successful, the City will address the item in an addendum. Otherwise, a Bidder is required to furnish/install all imported fill per these specifications.

TOTAL BID PRICE \$ 2,447,341.-
 (Figures)*

TOTAL BID PRICE: two Million Four Hundred Forty Seven Thousand
Three Hundred Forty one
 (Words)*

***BID MAY BE REJECTED IF TOTAL IS NOT SHOWN IN FIGURES AND WORDS.**

B2015-35

BIDDER'S SUBMITTAL (Continued) B2015-35

The undersigned has read the contract and taking no exception, furthermore agrees to enter into and execute a contract, with necessary bonds, at the unit prices set forth herein and in case of default in executing such contract, with necessary bonds, the check or bond accompanying this bid and the money payable thereon shall be forfeited thereby to and remain the property of the City of Torrance.

The above unit prices include all work appurtenant to the various items as outlined in the Specifications and all work or expense required for the satisfactory completion of said items. In case of discrepancies between unit prices and totals, the unit prices shall govern.

The undersigned declares that it has carefully examined the Plans, Specifications, and Contract Documents, and has investigated the site of the work and is familiar with the conditions thereon.

C. P. BROWN, being first duly sworn, deposes and says:

1. That he is the PRESIDENT
Title
of PALP INC. DBA EXCEL PAVING COMPANY
(Name of Partnership, Corporation, or Sole Proprietorship)

hereinafter called "Contractor," who has submitted to the City of Torrance a proposal for the Construction of Torrance Transit Park and Ride Regional Terminal Phase I- Rough Grading, B2015-35;

- 2. That said proposal is genuine; that the same is not sham; that all statement of facts therein are true;
- 3. That such proposal was not made in the interest or behalf of any person, partnership, company, association, organization or corporation not named or disclosed;
- 4. That the Contractor did not, directly or indirectly, induce, solicit or agree with anyone else to submit a false or sham bid, to refrain from bidding, or to withdraw the bid, to raise or fix the bid price of the Contractor or anyone else, or to raise or fix any overhead, profit or cost element of the Contractor's price or the price of anyone else; and did not attempt to induce action prejudicial to the interest of the City of Torrance, or of any other bidder, or anyone else interested in the proposed contract;
- 5. That the Contractor has not in any manner sought by collusion to secure for itself an advantage over any other bidder or to induce action prejudicial to the interests of the City of Torrance, or of any other bidder or of anyone else interested in the proposed contract;
- 6. That the Contractor has not accepted any bid from any subcontractor or materialman through any bid depository, the bylaws, rules or regulations of which prohibit or prevent the Contractor from considering any bid from any subcontractor or materialman, which is not processed through said bid depository, or which prevent any subcontractor or materialman from bidding to any contractor who does not use the facilities of or accept bids from or through such bid depository;

CONTRACTOR'S AFFIDAVIT (CONTINUED)

B2015-35

7. That the Contractor did not, directly or indirectly, submit the Contractor's bid price or any breakdown thereof, or the contents thereof, or divulge information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, or to any individual or group of Individuals, except to the City of Torrance, or to any person or persons who have a partnership or other financial interest with said Contractor in its business.

Re: LEED Projects

Mr. Semaan,

Excel Paving Company, Inc. has been involved in several LEED projects as a subcontractor including the following:

- Project: WMA, Beverly Hills - Offsite Improvements
General Contractor: Tischman Construction
Scope: \$ 950,000 Street widening project at Wilshire and Beverly in Beverly Hills consisting of demolition, grading, paving, misc. concrete, street lighting, traffic signals.
- Project: Agensys, Santa Monica
General Contractor: Hathaway Dinwiddie Construction
Scope: \$ 385,000 Project consisting of grading, paving and miscellaneous concrete at Olympic and Stewart in Santa Monica.

Excel does not currently have on staff personnel that are LEED certified, however if Excel is the apparent low bidder, Excel is committed to hiring the necessary personnel.

Also of note, Excel has been involved in several other projects that requiring extensive levels of monitoring and tracking of demolition waste and Storm Water Quality Control:

- Port of Long Beach – Pier G – \$ 30,000,000 Project with daily tracking of construction demolition waste (asphalt, concrete, etc.) as well as tracking of over \$ 3,000,000 of contaminated soils removals. SWPPP monitoring and reporting of the project completed as required by in-house Qualified SWPPP Practitioner (QSP).
- City of Los Angeles – Soto Street Bridge Demo and Street Realignment – Ongoing \$ 9,000,000 Project with daily tracking of construction demolition waste (asphalt, concrete, etc.) as well as tracking of over \$ 200,000 in contaminated materials removals. Monitoring and reporting completed in-house by Excel's own QSP's as required.

- Any project that disturbs over an acre now requires a SWPPP developed by a Qualified SWPPP Developer (QSD), and that a Qualified SWPPP Practitioner (QSP), or personnel that they have trained, perform routine inspections as well as those required before, during and after a qualifying event. Excel currently employs 5 QSP's, and regularly trains on-site project foremen to properly inspect the site and implemented measures for qualifying events.
- All construction projects with the Port of Long Beach, Port of Los Angeles, City of Los Angeles, and any agency with a Federally Funded Project require the tracking and submission of Construction Demolition Waste Reports. These reports are tracked daily, and submitted along with supporting load tickets as required by the respective agency.

Thank you for your consideration.

Respectfully,
Excel Paving Company

**TORRANCE TRANSIT PARK AND RIDE REGIONAL TERMINAL
C2015-35
REQUESTS FOR INFORMATION (RFI) LOG**

RFI No.	Summary Description	Question	Answer
1	Limits of Work	During the pre-bid meeting, it was mentioned that "the work on 208th St. is not included in this project". On plan sheet C-4, the Limits of Work on the north end of the project is adjacent to the north property line, and includes 208th St. The typical cross section G/C-6 shows a rough grading profile that includes approximately 550 LF of 208th St. work. Please clarify the limits of work on the project if they are different than what plan sheet C-4 indicates. If the limits of work have changed, please advise how this impacts the typical cross section shown on G/C-6.	With the full width of W. 208th St. to the southerly curb now being constructed by the development to the north of this project, the limits of rough grading along the north edge of the project should be adjusted as shown on the revised drawing C-4 and C-6 attached as part of Addendum No.1 .
2	RFI Log	Is the RFI Log from the previous bid, B2015-21, to be used for this project? It's listed on the City's website under the "For Information Only" section. Please advise.	Yes, RFI log responses from B2015-21 apply to this project.
3	License	The majority of this project is earthworks/grading. Is a Class A Contractor's License Acceptable to bid this project as a Prime Contractor?	The City will accept bids from bidders with both Class A and Class B with the understanding that bidders with a Class B license will subcontract with a Class A licensed contractor for work requiring that level of certification.
4	Prime Contractor	What is the minimum percentage (by dollar value) of the contract that is needed to be self-performed by the Prime Contractor?	The Contractor shall perform, with its own organization, Contract work amounting to at least 50 percent of the Contract Price per Section 2-3.2 Self Performance of the Greenbook (no dollar value).
5	CAD Files	Can you provide the CAD files to the project?	CAD files have been uploaded to the project webpage at www.torranceca.gov/23404.htm
6	Construction Photographs	Is Spec Section 01 3231, Construction Photographs, required for this bid package?	The bidding contractors are to omit this requirement from the scope of work.
7	Haul Hours	Spec Section 6-1.4.1 states "All vehicles utilized to transport import and export materials for the site are to limit activity to the hours between 9:00 a.m. and 3:00 p.m.". Please advise if these haul hours are Monday thru Friday only, or if these restrictions are in place on Saturday and Sunday also. Can this 6-hour haul window be increased to 7:00 AM to 5:00 PM? Spec Section 6-1.4.2 states the on-site work hours for Monday thru Friday is 7:30 AM to 6:00 PM, however the on-site work hours for work on Saturdays is missing. Please clarify. Is work allowed on Sundays?	Haul hours between 9:00 a.m. and 3:00 p.m. are in effect for weekdays, Monday thru Friday, only. Weekday hauling hours cannot be increased. Haul hours on Saturday or Sunday shall be arranged with the Engineer should the contractor elect to transport materials on the weekend. Per Section 2-11.1, if the Contractor elects to work under this Contract more than 8 hours/day or more than 40 hours/week, Saturday, Sunday, or CITY holidays, the Contractor shall arrange with the Engineer for the required inspection service and pay the Special Inspection Fees which will be charged.
8	Project duration	I need to send estimates to all the Primes for the required photographs and the timelapse. Will you please tell me how long the project will last?	Refer to RFI Response No. 6. The bidding contractors are to omit this requirement from the scope of work. This rough grading project is a 90 working day contract.
9	Alternate Deductive Line Item	During our pre-bid meeting, the City expressed having provided an alternate deductive line item on the bid form in the event the City procures the required Import material for the project. Currently, this form/line item is non-existent on the released bid documents. Is a revised Bid Form forthcoming?	If the City is able to acquire a volume of suitable fill that may be used as imported fill for this project, then an addendum will be issued.
10	Minimum Daily Volume	If the City procures the required import for the project, what minimum daily volume production should we base our bid on to handle, compact and support?	If the City is able to acquire a volume of suitable fill that may be used as imported fill for this project, then an addendum will be issued.
11	Expansion Index	In accordance to ASTM Designation: D 4829, "Standard Test Method for Expansion Index of Soils"; will the City consider modifying the specification requirements for the required import material to having an E.I. of 50 or better; which is classified as having a "low" expansion index potential instead of the current specification?	The existing specification cannot be replaced with only an expansion index (EI) requirement. Expansive soils are only a concern near the surface and will not be a relevant for most of the fill. The EI does not address potential for settlement, bearing capacity, pavement supporting capacity, and workability. Looser import fill recommendations have been made as part of Addendum No.1 .
12	Good Faith Effort	Do we have to do a good-faith-effort for this job?	No, DBE good faith efforts are not a part of this job.

Bid B2015-35

City of Torrance | 3031 Torrance Blvd, Torrance CA 90503 | www.TorranceCA.Gov

Addendum #2

Bid No. B2015-35	Proposal, Bond and Affidavit for the Construction of Transit Park and Ride Regional Terminal Phase 1 - Rough Grading - FEAP 764
------------------	---

ADDENDUM NO. 2
Issued: October 27, 2015

TO

**PROPOSAL, SPECIFICATIONS, BOND AND
AFFIDAVIT FOR THE CONSTRUCTION
OF
TORRANCE TRANSIT PARK AND RIDE REGIONAL TERMINAL
PHASE 1 – ROUGH GRADING - FEAP 764
B2015-35**

Note the following changes and/or additions to the Specifications for the project indicated above. The Bidder shall execute the Certification at the end of this addendum, and shall **attach all pages of this addendum to the Contract Documents submitted with the Bid.** In addition, the bidder shall complete and submit the "Acknowledgment of Addenda Received" Form provided in Section C of the Specifications.

1. **Refer to Specifications Section A Notice Inviting Bids, Page A-1**

The City has extended by one (1) week the date to open bids. Consequently, the first paragraph is hereby revised as follows:

"Notice is hereby given that sealed bids for performing the following described work will be received at the Office of the City Clerk of the City of Torrance, California, until 3:00 p.m. on Wednesday, **November 4, 2015**, after which time they will be publicly opened and read at 3:15 p.m. in the Council Chambers of said City: "

Addendum Issued By Order Of,

Ted Semaan, P.E.
Engineering Manager - Major Projects
October 27, 2015

BIDDER'S CERTIFICATION

I acknowledge receipt of the foregoing Addendum No. 1 and accept all conditions contained therein.
