# DOWNTOWN BULLETIN

October 21, 2014

VOLUME 89

## Downtown Parking

A friendly reminder: Downtown parking is vital to every business. As a courtesy to patrons and visitors, we encourage all Downtown business owners, employees, and residents to park in the long-term, off-street parking lots and structures in the area. The City will be increasing the parking enforcement of the on-street, 2-hour parking time limits in the Downtown area. See the map on the back of this bulletin for public parking lot locations. Thank you!
