Our Police Department offers these reminders to ensure a fun night doesn't get spoiled with a DUI:

- Decide before you go out whether you plan to drink or drive. You can't do both.
- If you plan to drink, designate a sober driver before going out, or map out another way to get home safely by taking a cab, ride-share service like Uber or Lyft, or using public transportation. You can also look up designated driver services in your area using the [National Directory of Designated Driver Services \(NDDDS\)](#).
- If you are a DD, bars and restaurants statewide have created non-alcoholic specialty drinks ("DDrinks") for sober drivers: <http://bit.ly/OTSDDrinks>
- If you happen to see a drunk driver on the road, call 911. Offer a description of the vehicle, location and direction of travel.
- See your friend or other patron impaired trying to get behind the wheel? Take the keys or help them make other arrangements to get where they are going safely.
