C-4a

**BIDDER'S SUBMITTAL (Continued) B2019-37**

The contract will be awarded to the lowest responsive bidder based on the Total Base Bid Price. However, the Bidder shall complete the Bid Proposals for the Additive Bid.

The undersigned has read the contract and taking no exception, furthermore agrees to enter into and execute a contract, with necessary bonds, at the unit prices set forth herein and in case of default in executing such contract, with necessary bonds, the check or bond accompanying this bid and the money payable thereon shall be forfeited thereby to and remain the property of the City of Torrance.

The above unit prices include all work appurtenant to the various items as outlined in the Specifications and all work or expense required for the satisfactory completion of said items. In case of discrepancies between unit prices and totals, the unit prices shall govern.

The undersigned declares that it has carefully examined the Plans, Specifications, and Contract Documents, and has investigated the site of the work and is familiar with the conditions thereon.

ALAN BOUDREAU, being first duly sworn, deposes and says:

1. That he is the **PRESIDENT**

\_\_\_\_\_ Title

of BOUDREAU PIPELINE CORPORATION

(Name of Partnership, Corporation, or Sole Proprietorship)

hereinafter called "Contractor," who has submitted to the City of Torrance a proposal for the Construction of WALNUT STORM WATER CAPTURE AND GROUNDWATER REPLENISHMENT BASIN, I-173, B2019-37.

2. That said proposal is genuine; that the same is not sham; that all statement of facts therein are true;
3. That such proposal was not made in the interest or behalf of any person, partnership, company, association, organization or corporation not named or disclosed;
4. That the Contractor did not, directly or indirectly, induce, solicit or agree with anyone else to submit a false or sham bid, to refrain from bidding, or to withdraw the bid, to raise or fix the bid price of the Contractor or anyone else, or to raise or fix any overhead, profit or cost element of the Contractor's price or the price of anyone else; and did not attempt to induce action prejudicial to the interest of the City of Torrance, or of any other bidder, or anyone else interested in the proposed contract;
5. That the Contractor has not in any manner sought by collusion to secure for itself an advantage over any other bidder or to induce action prejudicial to the interests of the City of Torrance, or of any other bidder or of anyone else interested in the proposed contract;
6. That the Contractor has not accepted any bid from any subcontractor or materialman through any bid depository, the bylaws, rules or regulations of which prohibit or prevent the Contractor from considering any bid from any subcontractor or materialman, which is not processed through said bid depository, or which prevent any subcontractor or materialman from bidding to any contractor who does not use the facilities of or accept bids from or through such bid depository;

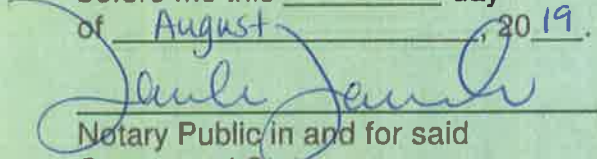

**CONTRACTOR'S AFFIDAVIT (CONTINUED)**

**B2019-37**

7. That the Contractor did not, directly or indirectly, submit the Contractor's bid price or any breakdown thereof, or the contents thereof, or divulge information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, or to any individual or group of Individuals, except to the City of Torrance, or to any person or persons who have a partnership or other financial interest with said Contractor in its business.

Dated this 02 day of AUGUST, 20 19.

Subscribed and Sworn to  
before me this 21<sup>st</sup> day  
of August, 20 19.

Notary Public in and for said  
County and State.

THE BIDDER'S SIGNATURE ON THE BIDDER'S PROPOSAL  
SUBMITTED WITH ITS BID SHALL CONSTITUTE  
AN ENDORSEMENT AND EXECUTION OF THIS CERTIFICATION

**EQUAL EMPLOYMENT OPPORTUNITY CERTIFICATION**

The bidder ALAN BOUDREAU,  
proposed ~~sub~~contractor BOUDREAU, hereby certifies that he has  
X, has not \_\_\_\_\_, participated in a previous contract or subcontract subject to the  
equal opportunity clauses, as required by Executive Orders 10925, 11114, or 11246, and that,  
where required, he has filed with the Joint Reporting Committee, the Director of the Office of Federal  
Contract Compliance, a Federal Government contracting or administering agency, or the former  
President's Committee on Equal Employment Opportunity, all reports due under the applicable filing  
requirements.

**Note:** The above certification is required by the Equal Employment Opportunity Regulations of the  
Secretary of Labor (41 CFR 60-1.7(b) (1)), and must be submitted by bidders and proposed  
subcontractors only in connection with contracts and subcontracts, which are subject to the  
equal opportunity clause. Contracts and subcontracts which are exempt from the equal  
opportunity clause are set forth in 41 CFR 60-1.5. (Generally only contracts or subcontracts  
of \$10,000 or under are exempt.)

Currently, Standard Form 100 (EEO-1) is the only report required by the Executive Orders or  
their implementing regulations.

Proposed prime CONTRACTORS and subcontractors who have participated in a previous  
contract or subcontract subject to the Executive Orders and have not filed the required  
reports should note that 41 CFR 60-1.7(b) (1) prevents the award of contracts and  
subcontracts unless such CONTRACTOR submits a report covering the delinquent period or  
such other period specified by the Federal Highway Administration or by the Director, Office  
of Federal Contract Compliance, U.S. Department of Labor.

**Note:** *Providing false information may result in criminal prosecution or administrative sanctions*

**Exhibit 12-E, Attachment C**

THE BIDDER'S SIGNATURE ON THE BIDDER'S PROPOSAL  
SUBMITTED WITH ITS BID SHALL CONSTITUTE  
AN ENDORSEMENT AND EXECUTION OF THIS CERTIFICATION

**NONCOLLUSION AFFIDAVIT**  
(Title 23 United States Code Section 112 and  
Public Contract Code Section 7106)

To the CITY of TORRANCE, DEPARTMENT OF PUBLIC WORKS.

In conformance with Title 23 United States Code Section 112 and Public Contract Code 7106 the bidder declares that the bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation; that the bid is genuine and not collusive or sham; that the bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid, and has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or that anyone shall refrain from bidding; that the bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder, or to secure any advantage against the public body awarding the contract of anyone interested in the proposed contract; that all statements contained in the bid are true; and, further, that the bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, or paid, and will not pay, any fee to any corporation, partnership, company association, organization, bid depository, or to any member or agent thereof to effectuate a collusive or sham bid.

**Note:** The above Noncollusion Affidavit is part of the Proposal. Signing this Proposal on the signature portion thereof shall also constitute signature of this Noncollusion Affidavit. Bidders are cautioned that making a false certification may subject the certifier to criminal prosecution.

*Note: Providing false information may result in criminal prosecution or administrative sanctions*

- Forster Ranch Hermosa Sewer \$500,000
- Camino Vera Cruz Assmnt & PA-4 (2001-2003) \$3,424,005  
Project included: 16" & 20" DIP (2500lf each) with a Pressure Reducing Station for the City of San Clemente Camino Vera Cruz Assessment District portion of the project. PA-4 included Storm Drain up to 78". This project had a very tight schedule due to the lengthening of the earthwork, while the model opening and Vera Cruz opening remained virtually the same thus decreasing our scheduled duration time considerably. We made every deadline. This was our largest and most demanding project to date.
