

# IF WE CAN'T REACH YOU, WE CAN'T ALERT YOU.

The City of Torrance mass notification system, TorranceAlerts, enables you to receive messages from the City in the event of an emergency.

Alerts can be sent via landline phone, cell phone, text message or email.

## COMMUNICATE THE MESSAGE

Talk about your plan

Use text messaging to send and receive messages

Use Social Media to let family know #ImOK.

## BE AWARE

Know your neighborhood! Identify neighbors who may need additional assistance such as:

Seniors

Families with children

Persons with functional or access issues

## KNOW YOUR RESPONSE

You may not always be with loved ones when a disaster strikes. Talk about your response and how you will reconnect after. Communication lines may be down, so having a rehearsed plan is critical to alleviating anxiety.

Earthquakes

Drop, Cover, Hold. Stay where you are until the shaking subsides

Shelter-in-Place or Evacuate

Understand what it means and what to do.
