

ADDENDUM # 1

**CITY OF TORRANCE
3031 Torrance Blvd.
Torrance, CA 90503**

BID NO. B2020-31

BID to Add Variable Frequency Drives to the Victor E. Benstead Plunge Circulating Pumps

ADDENDUM # 1 - Issued 10/8/20

THE FOLLOWING CHANGES ARE HEREBY INCORPORATED INTO AND MADE A MANDATORY PART OF SUBJECT BID:

CLARIFY: The Proposal Due Date remains on **Wednesday October 21, 2020 by 3:00 PM** in the Office of the City Clerk, 3031 Torrance Blvd., Torrance, CA 90503. **NO FAXED BIDS EXCEPTED**

Below are questions raised during the BID preparation period with answers in bold:

1. Do you have the list of bidders at the job walk?

The Job Walk sign-in sheet has been emailed from Nina Schroeder on 10/2/20. If you did not receive the email please notify Nina Schroeder at NSchroeder@TorranceCA.Gov

2. Generally, for a pool VFD install, the C-53 swimming pool contractor is the prime and they sub contract the C-10 electrical contractor as swimming pool VFD's are more complicated and specialized than normal VFD installs are. Additionally the LA County department of Public health is the one that oversees all swimming pool equipment upgrades and installation.

A typing error. The City has determined a C-53 Swimming Pool and C-10 Electrical Contractor's License are required for the project. The Prime contractor must have the C-53 and can Subcontract the C-10 Electrical Contractor's License if the Prime contractor does not also hold the C-10 Electrical Contractor's License.

Please return this addendum with your bid proposal. Failure to acknowledge addenda and submit it with your bid may render the bid non-responsive and cause it to be rejected. I hereby acknowledge receipt of this addendum.
