Check Twice for Motorcycles: May is Motorcycle Safety Awareness Month

During May's Motorcycle Safety Awareness Month, the Torrance Police Department reminds drivers to always look twice for motorcycles.

"Motorcycles may be difficult to spot, so being extra careful before changing lanes is always a good practice," Sergeant David Koenig said. "Motorcycle riders are out in the elements and do not have the same protections drivers and passengers do. Please share the road with motorcycles and drive safe."

Throughout the month, the Torrance Police Department will conduct a traffic safety operations focused on the most dangerous driving and riding behaviors such as speeding, making illegal turns, failure to yield to motorcyclist, and stop sign/red light violations.

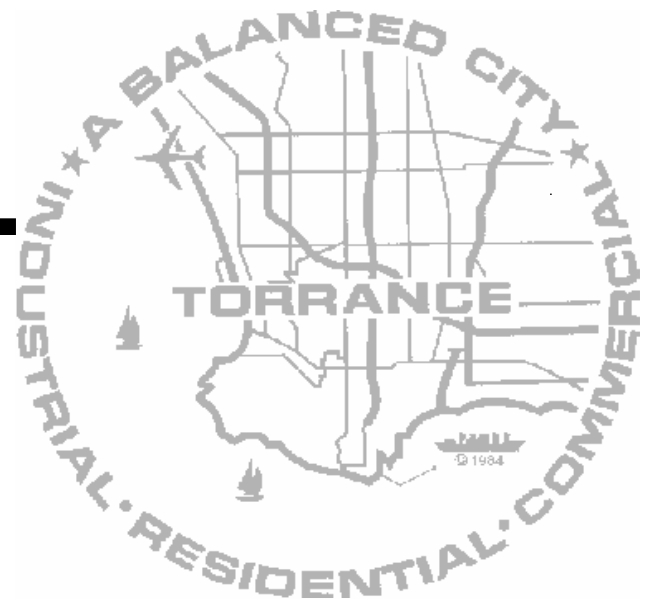

To help protect you and your family, keep the following tips in mind while driving or riding:

Drivers

- Always check mirrors and blind spots before changing lanes.
- Do not follow a motorcycle too closely. Always keep a safe distance.
- If you see a motorcycle with a signal on, be careful. Be sure that the rider is turning before moving ahead.

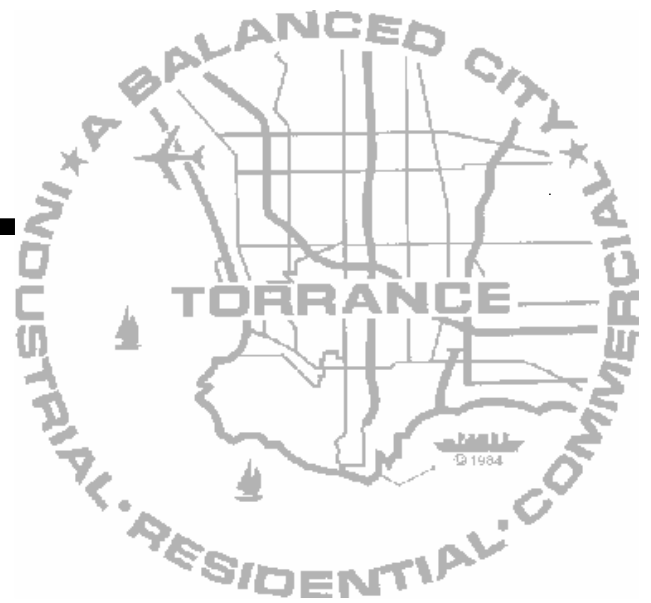

Motorcyclists

- Always wear a U.S. [DOT-compliant helmet](#) with eye protection.
- Wear leather or other sturdy clothing such as a jacket, pants, boots with nonskid soles and gloves. Add reflective strips or decals to your clothing and motorcycle to make it easier for other drivers to see you.
- Ride defensively. Don't assume a driver can see you. Avoid riding in a driver's blind spot.
- Always keep your lights on, even during the day.
