Unused hours from the previous year can be carried over and will be used first in the subsequent year; however, the total maximum number of hours carried over plus the current year (22 shifts) cannot exceed 30 shifts exclusive of the discretionary shifts. The three discretionary shifts cannot be carried over.
- C) Additionally, TPCA may purchase a maximum of 162.5 additional hours each year after the annual 25 shifts (237 hours; 209 hours plus 28.5 hours) have been used. The cost of the 162.5 hours will be calculated based upon the composite rate (composite rate means regular pay, longevity pay, education incentives, and all pay premiums) of pay of the actual employee who uses the hours times the number of hours used. Payment of any outstanding balance must be made monthly to the City with the entire balance paid in full by each fiscal year end. Any unpaid balance at fiscal year end will be deducted first (before any other use of the new fiscal year's balance) from the subsequent year's beginning amounts (25 shifts or 237 hours) on an hour for hour basis.

ARTICLE 11 – GRIEVANCES

SECTION 11.1 DEFINITION

A grievance is a complaint by one or more employees concerning the application or interpretation of ordinances, rules, policies, practices or procedures affecting employee's wages, hours, and working conditions. Anything specifically exempt from the grievance procedure per this MOU as well as non-disciplinary re-assignment to another shift is not subject to the grievance procedure.

SECTION 11.2 SCOPE

Priority in striking shall be decided by a flip of a coin.
- 4) The Arbitrator shall conduct a hearing within a reasonable time period, in accordance with Part 3 of Title 9 of the California Code of Civil Procedure.
- 5) The decision of the Arbitrator shall be final.

CATASTROPHIC LEAVE PROGRAM

Purpose

The purpose of this Catastrophic Leave Program is to allow employees to assist another employee during times of personal crisis when serious illness or injury has incapacitated him/her or a family member and the employee is therefore unable to work. It can also be used for employees who suffer catastrophic illness or injury who must undergo intermittent medical treatment such as chemotherapy. This program is solely for employees whose accrued leave balances have been exhausted.

Policy

The Catastrophic Leave Program allows an employee to transfer eligible leave hours (vacation, sick leave, compensatory time and/or administrative leave) to another employee when a catastrophic illness or injury occurs. A catastrophic illness or injury is defined as a serious health condition which substantially incapacitates an employee or qualifying family member, or which forces the employee or family member to undergo ongoing or lengthy substantial medical treatment. The illness or injury further creates a financial hardship because the employee has or will exhaust all leave time. For the purpose of the Catastrophic Leave Program, qualifying family member shall mean an employee's parents, step parents, spouse, registered domestic partner, children and stepchildren.

An employee will not be eligible for catastrophic leave until he/she has exhausted all leave time, including sick leave, vacation, compensatory time and administrative leave.

Donated hours may be used under the following situations:

- To cover the elimination period before short-term and/or long-term disability benefits begin
- To supplement short-term and/or long-term disability benefits
- To cover the time used on unpaid Family Leave

Procedures/Guidelines for Using Catastrophic Leave

1. Leave of Absence paperwork¹ must be submitted to the Human Resources Department. It should include medical certification of a serious health condition per the FMLA guidelines and the dates the employee expects to be absent. The leave must be approved by the Department Head and the Human Resources Director.
2. Verification of illness or injury of the employee or qualifying family member must be provided in writing by the treating physician on the City provided forms.
3. The employee or representative makes a request for catastrophic leave donations to the employee's department. The City Manager's Office is then notified and advertises the donation request via e-mail.
4. The period of absence will be determined by the written verification of the employee's or family member's physician and will not be based on the number of hours donated. Employees who are approved for the Catastrophic Leave Program due to a qualifying family member's catastrophic illness/injury may use donated time for a maximum of 12

¹ Leave of Absence Paperwork consists of "Request for Leave of Absence" form and either a form for personal illness or a "Family Medical Certification" form (for family illness).

weeks during a rolling one year period, as is allowed by the Family and Medical Leave Act.

5. Employees who are approved for the Catastrophic Leave Program due to a qualifying family member's catastrophic illness/injury may use donated time for a maximum of 12 weeks during a rolling one-year period, as is allowed by the Family and Medical Leave Act.
6. Employees must exhaust all personal leave hours (vacation, sick leave, etc.) prior to using any donated hours.
7. Employees will not accrue vacation, sick leave, or service time while using donated hours.
8. Donated hours may not be converted to cash ("cashed down").
9. The catastrophic leave bank will be closed and no further donations will be accepted under the following conditions:
 - The ill/injured employee returns to work full time, or
 - The 12 weeks of Family Leave have been exhausted, or
 - The ongoing, intermittent treatment program has been completed.

In these cases, any unused donated balances will be returned to the respective donating employees.

Any subsequent illness after the close of the bank will require a new request and approval.

Procedures/Guidelines for Donating Hours

1. Employees who wish to donate eligible leave hours must complete a Catastrophic Leave Bank Transfer Authorization form.
2. Donations of Catastrophic Leave hours are made on a voluntary basis.
3. All donated time must be in increments of one hour or more.
4. Donations of leave hours, once used, are irrevocable and become part of the receiving employee's leave bank.
5. Employees with less than 40 hours of sick leave may not donate sick leave hours. This provision may be waived by the City Manager if a donating employee has given notice of terminating employment with the City and there is a current qualified Catastrophic Leave Bank recipient.

Confidentiality

To protect the confidentiality of the program, the names of individuals who donate will not be released. The exact amount of hours donated will be provided to the receiving employee upon request for the purpose of computing the length of time to be covered by the catastrophic leave bank.

FLEX 4/10 PATROL SCHEDULE

Scheduling Guidelines

- The Flex 4/10 Patrol schedule is primarily seniority-based. Shift selection, vacation picks, and days-off requests should be based on seniority with rare exceptions. Exceptions may include employee consent/requests or management needs (i.e.; FTO deployments, etc).
- Lieutenants will pick their shifts prior to sergeants and sergeants will pick their shifts prior to officers.
- There are three (3) daily Patrol shifts (Days, Afternoons, and Graveyard).
- Day shift hours are 0600-1530 hours.
- Afternoon shift hours are 1400-2330 hours.
- Graveyard shift hours are 2200-0700 hours.
- During any given 28-day Deployment Period (DP), the employee shall work 16 days and be off 12 days.
- Supervisors shall not schedule an employee to work more than five (5) consecutive days.
- Supervisors shall not schedule an employee to be off less than two (2) consecutive days.
- Employees may not schedule themselves to work more than six (6) consecutive days.
- Employees may schedule themselves to be off for a single day prior to their next regular work shift.
- Employees may not work more than six (6) consecutive days (to include training and overtime). If an employee works six (6) consecutive days, he/she shall take a minimum of one (1) alendar day off. The only exception is for a court appearance.
- On the rare occasion when the situation requires more officers be deployed to the field (i.e; civil unrest, natural disaster, etc.), the Patrol division will transition to 12-hour shifts. "A" shift hours will be 0600-1800 hours, and "B" shift hours will be 1800-0600 hours. The number of consecutive days worked and the number of consecutive days off will be at the discretion of the Chief of Police (refer to the Emergency Deployment Schedule).
- Employees may not work "back-to-back doubles" (consecutive days of double shifts).
- Employees may not work a Graveyard to day shift double.
- The maximum an employee can work in a 24-hour period is 17.5 hours (i.e; Days to Afternoons double).
- Employees may request up to two (2) "Special" days off per DP. If two Specials are requested, they must be consecutive days. A Special day off request ("S") will take priority

over a regular day off request ("O"). For example, a junior employee's "S" request will take priority over a more senior employee's "O" request. Employees who request a Special day off shall indicate the reason for the Special request. A Special day off request is not guaranteed.

- Vacation and shift selections will be done twice per year (two cycles) and at the same time. The first cycle shall covers DPs XX-02 to XX-08. The second cycle shall cover DPs XX-09 to XX-01.
- The selections for the first cycle (XX-02) should occur in October of the previous year. The selections for the second cycle (XX-09) should occur in May of that same year.
- The 10% rule shall apply. Only 10% of employees assigned to Patrol (regardless of shift), or a minimum of seven (7) employees (whichever is greater) may be on vacation at one time.
- Employees may stay on a shift consecutively for no more than six (6) cycles (three years). At that point, the employee must move to another shift for a minimum of one (1) cycle.

Training

- All training shall be worked on a regular work day ("straight time") with the exception of "in-house" instructors. "In-house" instructors have the option of training on straight time or overtime.

Minimum Staffing Levels

- Day shift – MSL on Day shift, seven days per week, is 10 single-officer units.
- Afternoon shift – MSL on Afternoon shift, Sunday through Thursday, is seven (7) two-officer units (14 officers). MSL on Afternoon shift, Friday and Saturday, is eight (8) two-officer units (16 officers).

These meetings shall have no impact on the Department's right to staff personnel as they deem appropriate.
