General Information

THE ATTIC is a place for high school students to get away from their everyday routines; a place that is committed to their voice and needs. The center is a drop-in program for 14-18 year-olds in the City of Torrance. The students must be Torrance residents or attend a Torrance high school. The programs are organized and implemented by high school students with adult supervision. Students have unique opportunities to plan and participate in special events, classes, activities, volunteerism, fitness, sports and much more.

THE ATTIC is an 8,000 square foot facility containing every type of necessary equipment and furniture that helps a student wind down after a long day. The front doors open to a giant living room setting complete with comfy, overstuffed couches, colorful chairs, stereo system, pool table, foosball, big screen TV, video games and a full service cafe! It's the perfect place for everyone!

THE ATTIC'S mission is to provide all Torrance high school students with a variety of recreational, academic, vocational and self-help programs, in an environment safely away from drugs, alcohol and gangs. This is accomplished through a balance of challenging activities and programs that are designed to enhance their physical, mental and social skills while being in the company of friends and supportive staff. Students can gain self-esteem, advance socially and academically, and enjoy activities that spark life-long interests and success.

Welcome BACK TO SCHOOL

Welcome back to THE ATTIC everyone! We hope you enjoyed your summer! THE ATTIC team is excited for the 2023-2024 school year! The team loves seeing a mixture of new members and returning members. Come stop by and say hi, let us know what you did over the summer!
