

Empowering Manufacturers: Outlining The Industry And Assistance Available In LA County

September 28, 2023
11:00 AM via Zoom

This webinar will explore the manufacturing landscape with key industry insights and a comprehensive understanding of resources and support available locally.

Learn about valuable resources, programs and custom solutions for all companies conducting any part of the manufacturing process in California. This applies to all industry sectors, such as:

- Aerospace & Defense
- Biomedical
- Food & Beverage
- Consumer Packaged Goods (CPG)
- Apparel/Textiles
- Machine Shops
- Metal Fabrication
- Signs
- Packaging
