Kick Off Super Bowl LVIII with a Go Safety Game Plan

February 9, 2024

As the excitement builds for Super Bowl LVIII, the Torrance Police Department reminds football fans to intercept impaired driving if they're heading out to a Super Bowl party and plan on drinking. Make sure you stick to the ["Go Safely" game plan](#) and choose a sober way to go.

"Let's make sure Super Bowl Sunday is remembered for great plays on the field, not for unnecessary risks on the road," Sergeant David Koenig said. "Before you grab a drink, plan ahead for a sober designated driver. Choosing a safer way to go is a win-win for everyone."

The Torrance Police Department reminds the public that alcohol is not the only substance that impairs. Marijuana, prescription medications, and over-the-counter drugs may also impair your ability to drive safely. Do your research and understand how certain drugs may affect you.
