LIST OF SUB-CONTRACTORS REQUIRED PRIOR TO FINAL

The projects General Contractor or Owner Builder shall require all sub-contractors to have a current Torrance Business License. The General Contractor or Owner Builder shall be responsible for full license fees for any unlicensed sub-contractor.

All contractors and sub-contractors must have a city business license for the dates during which they worked on the project.

I have read and understood the above, and have received the 'Sub-Contractor's List' form. I further understand that this list must be submitted to the Business License Section fifteen (15) days prior to final inspection.
