MENS/WOMENS/CO-ED/ LEAGUE GAME RULES

1. A batter will start his/her at-bat with a 1-1 count (1 ball and 1 strike).
2. "Four strike rule". Found in the SCMAF Rule Book on page 41, rule 6, and section 9, C. (basically a foul to waste with 2 strikes)
3. Pitcher's Box - A pitcher may deliver a pitch from any point within the pitcher's box. The pitcher's box is located directly behind the existing pitcher's plate and is 6' deep by 24" wide. Any pitch delivered outside of the pitcher's box will be deemed an illegal pitch.
4. The strike zone plate mat will be used for determining balls and strikes.
5. Unlimited Courtesy Runner Rule - A player may only become a courtesy runner one time per inning. If the same batter comes up a second time in that inning and a courtesy runner is requested, only a player who has not been a courtesy runner in that inning may be used.
6. A runner cannot run for a runner. If a pinch runner's spot in the batting order comes up and they are on base pinch running, they would be out as a batter, and would stay as the pinch runner.
7. The Home Team may use the option to become the Visiting Team, if and only if, that team has less than 10 players on the field at game time. The game must start with a minimum of 8 players.
8. The team with the higher seed at the start of the playoffs will be declared the home team in all playoff games.

CO-ED LEAGUE GAME RULES

1. A minimum of three (3) outfielders must remain behind an outfield restriction line (180 foot arc from home plate) until the batter hits the pitch. The rover **must remain** 10 feet from a base until the ball is hit. When a **female** is batting, **only** a female may play rover.
Penalty: Batter and all base runners will be awarded one base unless each has advanced one base safely.

2. There will be no restrictions on a player (male or female) as to the defensive position he or she may play, except for the rover position when a female is at bat.
3. Runners may not lead off the base until the ball crosses the plate or is hit by the batter. All plays at home plate will be force outs, no tag is required. Runners intending to score must cross the chalked line extending from home plate, instead of touching home plate. If the runner ignores the scoring line and runs across home plate, it shall be ruled an out. There is a "commit line" halfway between 3rd base and home plate. Once a runner goes beyond the "commit line", they must continue to run towards home plate. If they try going back to 3rd base, it will be a force out. The catcher must receive the ball with their foot on the plate prior to the runner crossing the line to record the out.
4. The batter will start his/her at-bat with a 1-1 count (1 ball and 1 strike).
5. A male batter who is walked on three (3) consecutive balls without any strikes **received** during his turn at bat or intentionally walked prior any pitches, shall be awarded second base. Base runners advance only if forced to vacate their bases. **NOTE:** After a male batter receives one (1) called strike and then is issued an intentional walk, he shall be awarded first base.

ADDITIONAL BIG BALL LEAGUE GAME RULES

1. BIG BALL league will play using 60 feet bases.
2. Pitchers will use the front rubber with a maximum height of 12 feet.
3. The batter will start their at-bat with a fresh count (0 balls and 0 strikes).
4. Game time limit is 55 minutes. No inning will be started after 55 minutes has expired, except in the case of a tied game.
5. League will use 1 DeBeers 16" Official Clincher ball per field each night.

RULE CLARIFICATION

1. A player on a team's official roster may be added to the batting order at any point in a game. The Team Manager must inform the umpire of the addition. The umpire will inform the opposing team of the addition. A player who arrives after a team has gone through the batting order at least once must be added to the end of the batting order. No exceptions.
2. If a player is unable to take his/her turn at bat due to injury, ejection, etc, an out will be declared when it becomes his/hers turn to bat. After the missing batter is declared out, the next batter in the order will come to bat. A missing batter will be called out only once in a given game.
3. The umpire has final authority to stop a game due to unplayable or unsafe conditions or circumstances. Once a game has begun, all results will be official per SCMAF rules.
4. A pitcher must come to a full and complete stop before delivering a pitch. Quick pitching a batter will not be permitted.
5. Abusive language directed at a Staff, Umpire, Player, or Spectator will not be tolerated, and said behavior will be deemed as unsportsmanlike conduct and may be removed from the league. It is the responsibility of all participants to demonstrate good sportsmanship at all times. Purposely making a mockery of the game to avoid the mercy rule will result in a forfeit (umpire's discretion).

6. Consumption of alcohol and use of tobacco products on all City of Torrance parks is prohibited. Players and spectators are expected to adhere to this ordinance at all times.
