Subject: Supplemental #1 for Item 5D

In the original report, it was stated that an agenda item for the purchase of 24 new buses, part of the first phase of the Torrance Fleet Modernization Plan, would be presented to the City Council on August 13, 2024. However, since the publication of this agenda, it has been learned that the consideration of the bus purchases has been postponed to August 20, 2024.
