### ABOUT THE COYOTE MANAGEMENT PROGRAM:

The Coyote Management Program, founded in 2016, in response to resident concerns, is guided by a Coyote Management Plan approved by the Torrance City Council. Revised in 2019 and 2022, the plan directs the program's activities, which are managed by the Community Services Department.

### LISTEN TO LEARN: COYOTES IN TORRANCE

Listen to "Candid Conversations" podcast episode *Coyotes in Torrance* to learn more about urban coyotes. In this episode, staff discuss what to do if you encounter a coyote, dispel common misconceptions, and shares tips on how to remove or reduce attractants that might invite coyotes to your yard.
